The Lyle's have been in Taiwan with MTW since 1991. Their ministry at Christ's College involves teaching English, developing relationships with students, providing encouragement, evangelizing, and mentoring. They are able to connect with students in the classroom, the office, on campus, and in their home. Meeting with students for evening devotions, Bible studies, and discussions enables the Lyle's to encourage and challenge them to become Christians, grow in Christ, and go on to impact people in Taiwan and throughout Asia. Their roles at Christ's College have grown and changed. Ann has been able to take on new roles to fill the gap in helping the administration and advising students. This has opened doors for relationships and influence for Christ. Joe continues to develop new courses seeking to integrate a Christian worldview and to impact students' lives.

...Verily I say unto you,  
insomuch as ye have done  
it unto one of the least of  
these my brethren, you  
have done it unto Me.

Matthew 25:40
