FAITH PROMISE

GIVING

Faith Promise is a method in which we trust God to provide our material needs and to give us spiritual blessings,

“And God is able to make all grace abound to you, so that in all things at all times, having all you need, you will abound in every good work” (2 Corinthians 9:8.)

“And my God will meet all your needs according to His glorious riches in Christ Jesus” (Philippians 4:19)

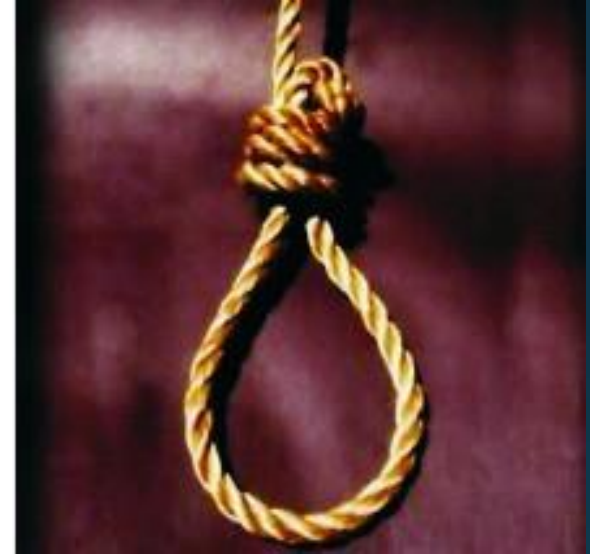

FAITH PROMISE IS ABOVE AND BEYOND OUR REGULAR TITHES AND OFFERINGS

THIS WEEK PLEASE
PRAY FOR

ALTAF

*Pray
For
Pakistan*

- At present Altaf and his wife are serving in South and central Asia as inter denominational missionaries. This includes Bangladesh, Nepal, Iran and parts of central Asia. They are just next door to Afghanistan, where AL-Qae*da has prevailing influence.
- They have a great burden for this continent where Christianity is greatly misunderstood as the faith of the colonial powers.

- In this part of the world fundamentalism is on the rise especially after 9/11. Pray for their ministry in this very difficult context. Sectarian killings are rampant, some underground religious factions are well armed. Recently there have been attacks on Christian churches, school and hospitals. on Easter 2015 two churches were bombed near Lahore where 18 are martyred. In Sep. 2013 a church in Peshawar was bombed in which we had over 120 martyred and scores injured.

- Recently the government banned some Islamic militant factions, Terrorists are blocking the foreign and local investors and ultimately its the poor man who suffers. These factions are gone underground. many are functional under other pseudo names They are trained by Qae-eda/Tali*ban, and carry out attacks on the Christian institutions.
- Please pray for peace in Pakistan, for the authorities that are trying to eradicate the terrorism, from this society. May the peace of God rule in this region. Pray that we can live together in harmony.
- Pray for the freedom of expression of expression so the Gospel (peace) can be preached here.
