GROUPS HAD A
KENTUCKY DERBY
PARTY

**PLEASE PRAY FOR OUR
MISSIONARIES,
BILL & SUSAN CARR**

- **PERSONAL NOTE**

- **In 2 Tim. 2:2, Paul instructed Timothy to take the things Paul taught him and pass them on to faithful men who could teach others. This passage has meant much to the Carrs over the years.**

-

- **Both Bill and Susan have master's degrees in education and Bill also has an M.Div. After several years in education, the Lord called the Carrs to a church-planting team in Australia. The Carrs then served in South Africa for over a decade in theological education, children's ministries, and team leadership.**

-

- **Currently Bill and Susan are working with Native Americans in northern Minnesota. One of the greatest needs of the Native American church is spiritual leadership. The Carrs have accepted the challenge to help train leaders at Mokahum Ministry Center.**

-

- **Mokahum offers intensive training programs requiring a high degree of accountability, including a one-year discipleship track and a three-year ministry track. Both programs emphasize theological education, life skills, and ministry experience. Bill serves as educational director for the center. Susan teaches enrichment and study skills classes for the students.**

-

- **Please pray for Bill and Susan, and that effective Native American leaders will be equipped for gospel ministry and for the Lord's glory.**

Elaine, (I received this from Bill on Friday! We will Skype with them Sunday Evening, September 9. That is the last night of the Mission Conference!)

I have marked it on my calendar. We can shore up the details when you need to, but I have put you in my book.

- How is everyone at Story Memorial? I do think about you all often when I think of home (or I should say my origin...I am not really sure where home is anymore outside of heaven).**
- My students had graduation last Saturday. Susan continues until the end of the month with the reservation school 2nd graders. I thought things would slow down with graduation, but I have just changed activities.**

Please pray for us, please...

- 1. Our students to remain steadfast over the summer.**
- 2. A good group of first year students to be recruited for next fall. Honestly, this last group of first year students is the best that I have encountered since I have been here.**
- 3. Energy and diligence for Susan & me this summer.**
- 4. Our support reserves continue to come up about \$1400 per month on a year average. This monthly amount we need to come up with somehow before reserves are depleted. I am praying about how to approach this. Times have changed so much since we first raised support!**

It looks like spring is here. The lakes have all thawed and although still cool, we have had an afternoon or two in the mid-70's.

Please greet everyone for us. I know things have changed a lot; time has passed. Still, I remember the year that Susan, Rebekah, & I spent in your house across the road from the church fondly. In Christ, Bill
