Lyle's News for Today

April 28, 2018

- **Please pray for us personally and for others at the college**
- For the last few weeks we have been feeling more discouraged than usual. Things we usually enjoy doing, feel like a burden. We are having trouble getting needed work done and tension seems high at the college. Yes, we are spending time each day with God. Yes, we are reminding ourselves of verses that promise that God is good, He is in control, and He is with us. Yes, we know this is where God wants us. And yes, we are praying together with our coworkers. **Please pray that this burden will be lifted, that we will honor God in what we do, and that He will give us His wisdom and the fruit of the Spirit as we walk through these areas of struggle.**

- **Please pray for the right President for Christ's College**
- The faculty and staff have had a time of introduction to each of the presidential candidates. They all love the Lord and have different qualities they can bring to the position. While we look forward to seeing a new president, some people are anxious for the changes this will bring. Our college board will meet in 3 weeks and make a decision. **Pray for wisdom and discernment for the board.**

- **Pray for an increase in enrollment.**

- We have an entrance exam on May 19th. We need at least 45 students to qualify for our Ministry of Education (MOE) program at this exam. We will have other entrance exams in June and August for other Taiwanese and international students.

Thank you for standing with us in prayer and supporting the ministry at Christ's College.

Love in Christ,
Joe and Ann
