FAMILY NIGHT SERVICE PROJECT**

PLEASE PRAY FOR OUR MISSIONARIES,
ART & URSALA SPOONER

- Art and Ursula Spooner have been missionaries in Europe since 1983. They have been involved in teaching/discipling and counseling missionaries, nationals and church planters throughout those years. Both have also been involved in staffing and helping in international schools throughout Europe.
- They presently reside in Vienna, Austria where they are still ministering with [World in Need International](#), a faith-based mission. Ursula ministers to the trafficked women on the streets of Vienna and is also involved in counseling and helping with various support roles in the [International Christian School of Vienna](#). Art is officially retired due to age and various health issues, but continues to serve in supportive roles.
- Please pray especially for Ursula as she ministers in dangerous areas.
