PRAY FOR OUR MISSIONARIES TO CROATIA

JOHN

&

LYNN LEHN

THEY WILL SPEAK AT OUR
MISSION CONFERENCE ON
SUNDAY MORNING 9/8/2019

- GREATER EUROPE MISSION

- The Lehns have been serving in Croatia since 1992, coming alongside nationals to help them plant churches. They are currently helping in their third church plant in Croatia, in the city of Dubrovnik on the Adriatic coast. After its first twelve years, the church plant numbered only eight members. Since the Lehns' arrival in 2012, the church has grown to 22 members.
- The Lehns help the national pastor to grow the church in vision, spiritual depth and number. John helps with preaching, teaching, personal discipleship and counseling. He has led in planning special evangelistic events and participates in sharing the gospel throughout the country. Lynn leads the women's ministry, teaching and counseling women and encouraging them to take a more active role in ministry.
- Many of the believers are serving one another and reaching out to friends, neighbors and relatives. Many are growing in their love for God's word and it is showing in the decisions they make and in the intentionality with which they live. Two years ago, the church began distributing gospel tracts to every home in the region. Since that time, two homes on the unevangelized peninsula of Pelješac, about a 1 1/2-hour drive from Dubrovnik, have opened up for Bible study. Please pray for the continued growth of the church in Dubrovnik and for more churches to be planted throughout the region.
- The Lehns have three grown children who grew up on the mission field. They are all now back in the States with careers of their own.

(Information was obtained from Third Church, Henrico Virginia website post May 3, 2018)

THE FOLLOWING IS FROM THE LEHN'S MAY 9, 2019 PRAYER LETTER:

- Dear Praying Friends, The Lord continues to show Himself faithful! The establishment of the “Hope for the Wounded” ministry is beginning to take hold. There are 7 people fully trained to lead small groups and the first small group began in Dubrovnik in mid-May. Lynn has plans to have a regional retreat for the ministry in the eastern part of the country in the winter. This will aid in training 3 more leaders who will then be able to offer small groups in the cities where they minister.
- Praise the Lord! And please continue praying! Our coworkers, the Coneys, have found a relatively long-range solution to their living situation in Orebić – the town in our region to where they moved 3 months ago. After praying, and moving 2 times in 2 months, they found a landlord who is willing to rent to them for 2 months at a time with the possibility of extending almost guaranteed.
- The other miracle is that there are 3 women who recently came to know the Lord in Orebić. All of them are already studying the Bible in a small group with the Coneys! Praise the Lord!
- In Him, John & Lynn
